Celebrate Australia Day with family & friends...

The 26th January is Australia Day and what better way to celebrate all things Australian than to head to the beach or park and have a BBQ with family and friends. Qbag® allows you to prepare your meat, vegetable and summer dessert dishes quickly and efficiently, before heading out to have fun in the sunshine. Qbag® means less time cooking and more time to relax, play a game of cricket or two, go for a swim, enjoy a cool drink, or all of the above!

Why not try our Recipe of the month...

Warm Pumpkin, Rocket & Feta Salad with Pine Nuts and Balsamic Vinegar

Simply dice ¼ pumpkin into 2cm cubes, pop the pumpkin into a Qbag®, add a little Extra Virgin Olive Oil and Balsamic Vinegar to taste, season well with Salt & Pepper and place the closed Qbag® on an open top BBQ plate or inside a Conventional oven at 180 Degrees Celcius until cooked (approximately 25 minutes). Remove from the Qbag® and allow to cool for 5 minutes. Place fresh Rocket leaves in a salad bowl, gently mix in pumpkin, sprinkle with pine nuts and crumbed Feta (Danish is best) and drizzle with a little freshly squeezed lemon juice and Balsamic Vinegar...Enjoy. * Always use an oven glove when opening the hot Qbag®.

making casual dining a little easier... and far more tasty.
